2008-2009 Annual Report

English | [Spanish](#)

Each year, school districts in Colorado are expected to report their performance based on requirements for No Child Left Behind (NCLB) and state accreditation.

This year, the Colorado Department of Education (CDE) has gone completely electronic and so have we. For access to the District's 2008-2009 Annual Report, please select the appropriate links:

The District's mission is to educate students in a safe learning environment so that they may develop to their highest potential and become contributing citizens.

The profile for St. Vrain includes the following information:

- **assessment** (Colorado Student Assessment Program (CSAP) scores)
- **accreditation** (results summary)
- **accountability** (Adequate Yearly Progress (AYP), Title I Schools on Improvement)
- **teacher quality** (qualification of teachers)
- **post-secondary readiness** (graduation and drop-out rates, American College Testing (ACT) results)

Please take a moment to explore the new CDE site; it is robust and full of useful school, district and statewide data. The site also includes the [Colorado Growth Model](#) which helps track school performance. This powerful tool highlights how students are progressing from year to year.
